**Dear Fellow Guardsmen**

**December 2004**

### **FIRST WORDS**

My abject apologies to the Atlantic Branch for publishing the wrong date for its Annual General meeting and Birthday Celebration. I hope I will be forgiven.

(see Atlantic Branch report further on).

The slightly new heading is the result of me fooling around on my computer in an attempt to brighten up the old rag. I would love to be able to use a full-colour Cap Star, but the cost of printing would be prohibitive.

Speaking of costs, we have been trying to hold the line on the cost of producing the newsletter, but the Postal Corp keeps jacking up the price of mail and reducing the weight. This means that we must limit the newsletter to four pages, ie, eight sides, thus fewer words and less 'news'.

### **IN MEMORIAM**

I ask you to join with the entire Regimental Family in sending our sympathy, condolences and prayers to the family, friends and comrades of the following Family Members whose deaths have been recorded since our last report:

Hugh L. Cameron, Nita Cheriton (wife of Ron Cheriton), George Harper, William ( Harry ) Matchett, Charles Patrick McCarthy, Joseph Leo Partito, Ron Rivard, Davie Roach, Theresa Turgeon ( wife of Maurice Turgeon), and Anne Whipps (wife of Bob Whipps).

*“Blessed is the path thou goest on this day,  
for a place of rest is prepared for thee “  
( Orthodox Prayer )*
